

Unify Ready

Technology connectivity certification

The connectivity of

XPhone Connect V6

developed by **C4B Com For Business AG** has been certified at the **CSTA and SIP** Interface of **OpenScape Voice V9** in accordance with the test report dated December 01, 2016.

C4B Com For Business AG is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
