

Unify Ready

Technology connectivity certification

The connectivity of

XPhone Connect V5

developed by C4B Com For Business AG has been certified at the CSTA and SIP Interface of OpenScape Business V2 in accordance with the test report dated October 27, 2015.

C4B Com For Business AG is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.

Munich, October 30th 2015
