

Unify Ready

Technology connectivity certification

The connectivity of

EVOIPneo V5R1 (SIPREC)

developed by **ASC Technologies AG** has been certified at the open LAN interface of **OpenScape Xpert V6** in accordance with the related test report.

ASC Technologies AG is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
