

Atos Unify Ready Technology connectivity certification

The connectivity of

EVOIPneo V6.4

developed by ASC Technologies AG has been certified at the CSTA Interface of Atos Unify OpenScape 4000 V10 for active voice recording mode in accordance with the respective test report, dated September 25th, 2020.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality. Certification is valid for all EVOIPneo V6 versions as according to the Compatibility Confirmation from December 09th, 2020**

Munich, December 10th, 2020
