Atos Unify Ready Technology connectivity certification

The connectivity of

XPhone Connect V8

developed by C4B Com For Business AG has been certified at the SIP Trunk Interface, CTI and CSTA of Atos Unify OpenScape Business V3 for voice recording in accordance with the respective test report, dated March 19th, 2021.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**

Munich, March 19th, 2021
