

Unify Ready

Technology connectivity certification

The connectivity of

Headset SupraPlus HW261N

developed by **Plantronics** has been certified at the Headset-Interface of **OpenStage** in accordance with the test reports dated 28th August 2008, 14th December 2011 and 05th March 2012.

This certificate is also valid for **OpenScape Desk Phone IP 35/55G**

Plantronics is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test reports and the notes contained therein. Please consider the test reports for any acoustical or functional limitations or known issues.

The Headset is capable of Wideband. This certification is valid for all regions, including North America.
