Unify Ready

Technology connectivity certification

The connectivity of

SoundStation IP6000

developed by Polycom at the open interface SIP of OpenScape Voice V7 has been certified in accordance with the test report dated 5th October 2013.

Polycom is now entitled to label the above mentioned product with the Unify Ready emblem

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. According to the declaration of conformity issued by Polycom the certification tests for SoundStation IP 7000 are applicable for SoundStation IP 6000 in respect to the interworking with the SIP interface of OpenScape Voice.
