

Unify Ready

Technology connectivity certification

The connectivity of

Headset CS520

developed by **Plantronics** has been certified at the Headset-Interface of **OpenStage** in accordance with the test report dated 27th June 2013 and 1st August 2013.

Plantronics is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider the test reports for any acoustical or functional limitations or known issues.
The Headset is capable of Wideband. This certification is valid for all regions, excluding North America.
