

Unify Ready

Technology connectivity certification

The connectivity of

HiMed V9

developed by **Siemens AG** has been certified at the open interface **SIP of OpenScape 4000 V7** in accordance with the test report dated 7th February 2014.

According to a statement of downwards-compatibility by **Siemens AG** the testresults are also applicable to HiMed V8.5.6

Siemens AG is now entitled to label the above mentioned product with the **Unify Ready** emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **The tests have been conducted under test-field-conditions. Every productive installation needs to be evaluated technically regarding the comparability with the test-conditions prior to any commitment of support to customers. Please contact technology.partners@unify.com**
