

Unify Ready

Technology connectivity certification

The connectivity of

Headset EncorePro HW720

developed by **Plantronics** has been certified at the Headset-Interface of **OpenStage**. The certification is based on test reports TRA09124 and TRA09125 dated 9th December 2009.

Device under test was the HW301N.

Plantronics gave a formal and binding statement that there are no changes to the product other than the change to the model name from HW301N to HW720.

This certificate is also valid for **OpenScape Desk Phone IP 35/55G**

Plantronics is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider the test reports for any acoustical or functional limitations or known issues.
The Headset is capable of Wideband. This certification is valid for all regions, excluding North America.
