

Unify Ready

Technology connectivity certification

The connectivity of

HiMed V9

developed by **Siemens AG** has been certified at the open interfaces **SIP of OpenScape Voice V8R0** and **OpenScape SBC** in accordance with the test report TR20.1, dated 30th January 2015.

Siemens AG is now entitled to label the above mentioned product with the **Unify Ready** emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **The tests have been conducted under test-field-conditions. Every productive installation needs to be evaluated technically regarding the comparability with the test-conditions prior to any commitment of support to customers. Please contact technology.partners@unify.com**
