

Unify Ready

Technology connectivity certification

The connectivity of

Gigaset N510 IP PRO

developed by Gigaset has been certified at the SIP-Interface of OpenScape Voice V8 in accordance with the test report dated February 12th 2016.

Gigaset is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**

Munich, February 15th 2016
