

Unify Ready

Technology connectivity certification

The connectivity of

Headset Jabra BIZ 2300 Mono

developed by **Jabra / GN Netcom** has been certified at the wide-band Headset Interface of **OpenScape Deskphone IP 55** in accordance with the respective test report.

This certificate is also valid for **OpenScape Desk Phone IP 35G** and **OpenStage** family

Jabra / GN Netcom is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider the test reports for any acoustical or functional limitations or known issues. The Headset is capable of Wideband. This certification is valid for all regions, including North America.**
