

Unify Ready

Technology connectivity certification

The connectivity of

SoundStation IP 7000

developed by Polycom has been certified at the SIP-Interface of OpenScape Voice V9 in accordance with the test report dated December 10, 2014 with OpenScape Voice V8.

Unify declares the results with OpenScape Voice V8 even valid for OpenScape Voice V9 in respect of the interworking with the SIP interface of the Polycom SoundStation IP 7000.

Polycom is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
