

Unify Ready

Technology connectivity certification

The connectivity of

Konftel 55 Wx

developed by Konftel AB has been certified at the Integrated Headset Interface (wired only) of OpenStage in accordance with the respective test report*.

This certificate is also valid for OpenScape Desk Phone IP 35G / 55G

*) According to the declaration of similarity issued by Konftel the results with Konftel 55W are even applicable for Konftel 55 Wx in respect of the audio performance.

Konftel AB is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
