Unify Ready

Technology connectivity certification

The connectivity of

HiMed V10.1.1

developed by Siemens AG has been certified at the SIP-Interface of OpenScape Business V2 in accordance with the test report TR20.9 dated April 19th 2017.

Siemens AG is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **The tests have been conducted under test-field-conditions. Every productive installation needs to be evaluated technically regarding the comparability with the test-conditions prior to any commitment of support to customers. Please contact technology.partners@unify.com**
