

Unify Ready

Technology connectivity certification

The connectivity of

Polycom RealPresence Trio 8500

developed by Polycom has been certified at the SIP interface of OpenScape Voice V9 in accordance with the test report dated April 21, 2016*).

Polycom is now entitled to label the above mentioned product with the Unify Ready emblem.

* According to the declaration of conformity issued by Polycom November 09, 2017, the certification tests for RealPresence Trio 8800 are applicable in respect to the interworking with OpenScape Voice V9 interfaces.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
