

Unify Ready

Technology connectivity certification

The connectivity of

Polycom RealPresence Trio 8800

developed by Polycom has been certified at the SIP-Interface of OpenScape 4000 V8 in accordance with the test report dated April 27, 2016.

Unify declares the results with OpenScape 4000 V even valid for OpenScape 4000 V8 in respect of the interworking with the SIP interface of the Polycom RealPresence Trio 8800.

Polycom is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
