Unify Ready

Technology
connectivity certification

The connectivity of

Polycom RealPresence Trio 8300

developed by Poly has been certified at the open SIP interface of OpenScape 4000 V8 in accordance with the test report dated April 27, 2016*).

Unify declares the results with OpenScape 4000 V7 even valid for OpenScape 4000 V8 in respect of the interworking with the SIP interface of the Polycom RealPresence Trio family.

Poly is now entitled to label the above mentioned product with the Unify Ready emblem.

* According to the declaration of conformity issued by Polycom October 24, 2019, the certification tests for RealPresence Trio 8800 are applicable in respect to the interworking with OpenScape 4000 V8 interfaces.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
