

Atos Unify Ready Technology connectivity certification

The connectivity of

Behnke Serie 5 A/B

developed by Telecom Behnke GmbH has been certified for the basic door opener functionality when connected to Atos Unify OpenScape Business V3 or Atos Unify OpenScape Voice for interaction with Atos Unify OpenScape Deskphone CP in accordance with the respective test report, dated July 09th 2020

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
