Atos Unify Ready Technology connectivity certification

The connectivity of

AVANTI Operations Control System

developed by Swisscom (Schweiz) AG has been certified at the CSTA Interface of Atos Unify OpenScape Voice V10 in accordance with the respective test report, dated February 15th, 2022.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**

Munich, February 15th, 2022
