Atos Unify Ready Technology connectivity certification

The connectivity of

Spok CareConnect CTI Service

developed by Spok Inc. has been certified at the CSTA Interface of Atos Unify OpenScape Voice V10 and REST API on Atos Unify OpenScape Contact Center V10 in accordance with the respective test report, dated April 14th, 2022.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
