

Unify Ready

Technology connectivity certification

The connectivity of

CallCenter CCS V5.0

developed by **Walder Bachmann Engineering AG** has been certified at the SIP and CSTA-Interface of **OpenScape Business V2** in accordance with the respective test report.

Walder Bachmann Engineering AG is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
