

# Unify Ready

## Technology connectivity certification

The connectivity of

## BT Session Manager or BT ITS via BT DLIC QSIG 30

developed by **British Telecom – BT Unified Trading** has been certified at the QSIG-Interface of **HiPath 4000 V6** in accordance with the respective test report.

**This Unify Ready Certificate is only valid for projects with the customer **Commerzbank**. Further it is only valid for configuration as described in the test documentation.**

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**

Munich, July 8<sup>th</sup> 2014
