

Unify Ready

Technology connectivity certification

The connectivity of

Genesis Call Center Console

developed by **American Tel-A-Systems Inc. (AMTELCO)** has been certified at the open SIP interface of **OpenScape 4000 V8** in accordance with the test report dated December 03, 2018.

AMTELCO is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**

Munich, December 3rd, 2018
