Unify Ready

Technology connectivity certification

The connectivity of

AURALL SERVER v8.1

developed by VOID Sistemas has been certified at the open CSTA interface of OpenScape Voice V9 in accordance with the test report dated September 24, 2019.

VOID Sistemas is now entitled to label the above mentioned product with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
