Unify

Atos Unify Ready Technology connectivity certification

The connectivity of

EVOIPneo V7

developed by ASC Technologies AG has been certified at the CSTA interface for usage with Atos Unify OpenScape Business V3 R2 with active voice recording mode in accordance with the respective test report, dated February 07th, 2023.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
