

Atos Unify Ready Technology connectivity certification

The connectivity of

Poly P5

developed by Poly has been certified for usage with Atos Unify OpenScape UC Desktop App in accordance with the respective test report, dated February 23rd, 2023.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. The supplier of the certified product confirmed in their declaration of conformity that the product is in line with all compliance regulations (e.g. "acoustic shock") and is responsible to perform appropriate acoustical tests for the mentioned products via the relevant interfaces. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
