

Dear colleagues,

As a natural evolution in the continuous establishment of our brand worldwide, EPOS have decided to consolidate our Enterprise portfolio during 2023, with the result that our CC&O products will be branded with the EPOS logo. This is a cosmetic and branding change – form, fit, function and performance remain unchanged.

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products. During the transition period the same product may exist in both versions.
