

Atos Unify Ready Technology connectivity certification

The connectivity of

RedSky Eg11 Anywhere

developed by RedSky Technologies has been certified at the SIP Trunk interface for usage with Atos Unify OpenScope 4000 in accordance with the respective test report, dated April 13th, 2023.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
