Atos Unify Ready Technology connectivity certification

The connectivity of

CallTouch Data Gateway

developed by Eagle Newco Limited has been certified at the CSTA interface for usage with Atos Unify OpenScape Contact Center V11 and OpenScape Voice V10 in accordance with the respective test report, dated July 06th, 2023.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
