Unify Ready Technology connectivity certification

The connectivity of

ASC EvoIP neo V7.1

developed by ASC Technologies AG has been certified for usage with OpenScape Xpert V8 on the SIPREC and CTI interfaces in accordance with the respective test report, dated March 8th, 2024.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.

Munich, Date 12.03.2024
