

Unify Ready Technology connectivity certification

The connectivity of

Ascom Myco 4 WiFi

developed by Ascom has been certified for usage with OpenScape Voice V10R3 or later on the SIP subscriber interface in accordance with the respective test report, dated May 14th, 2024

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.

Munich, Date 15.05.2024
