Unify Ready Technology connectivity certification

The connectivity of

Amtelco Genesis Call Center Console 5.6

developed by Amtelco has been certified for usage with OpenScape 4000 V11R0 or later on the SIP Trunking interface in accordance with the respective test report, dated July 23rd, 2024

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.

Munich, Date 24.07.2024
