

Mitel Technology Network Partner Program (MTN Certification)

Mitel Ready Technology connectivity certification

The connectivity of

Siemens HiMed 12

developed by Siemens AG has been certified at the SIP and FAMOS interfaces for usage with Mitel OpenScape 4000 V11 in accordance with the respective test report, dated February 11th, 2025.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.

A handwritten signature in black ink, appearing to read "A. Bergmann", is written over a horizontal line.
