Mitel

Mitel Technology Network connectivity certification

The connectivity of

Ascom MyCo 4 DECT

developed by Ascom has been certified at the SIP interface for usage with OpenScape Voice V11 in accordance with the respective test report, dated December 15th, 2025.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
