

Mitel Technology Network connectivity certification

The connectivity of

TE-Systems anynode SBC

developed by TE-Systems has been certified at the SIP interface for usage with OpenScape 4000 V11 in accordance with the respective test report, dated October 8th, 2025.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.
